To whom it may concern

Dear Sirs,

We would like to introduce "Orient Sky Ukraine", Odessa, Ukraine, as branch enterprise of "G.S.T. Orient Star Co., LTD", Limassol, Cyprus. The company was found in 1998 and has the state license N 119531 to effect the employment of Ukrainian citizens abroad. We provide manning service for the Ukrainian and foreign employer and can arrange the employment of any kind of qualified and professional seafarers providing them with all certificates requested by the STCW-95 and National regulations.

For the time being our company is successfully cooperating with the following companies:

Sea Hawk Asia, Miami, Florida, USA
Mariser Marine, Miami, Florida, USA
Hebridean Island Cruises, Skipton, UK
Technical Marine Planning, Piraeus, Greece
Maritime Hotel Management, Limassol, Cyprus
Titan Brokerage Corporation, Piraeus, Greece
Kyma Ship Management, Miami, Florida, USA
Lodestar Marine Advisory, Limassol, Cyprus
Qatar Air Ways, Doha, Qatar

Concerning the criteria of personnel screening we pay our attention to the experience and references of our candidates, their age, appearance, knowledge of English language to guarantee the successful work for them and mutually beneficial cooperation between employers and us.

"Orient Sky Ukraine" cooperates with medical center "Medmarine" in Odessa, which effects medical examination for our seafarers. Medical center is certified by "P & I Club" and their certificates for seamen are internationally recognized. Besides, our travel agent provides us and our partners (ship owners and ship managers) with complete service during the process of booking of air tickets for the seamen on all directions worldwide.

"Orient Sky Ukraine" has good experience in organization of interviews between Employers and seamen, which is usually very important during recruiting of officers and catering personnel on passenger ships.

We also prepare all needful documents for the seamen in case of necessity to obtain ships' flag certificates and endorsements.

"Orient Sky Ukraine" may offer our service as representative office of any foreign shipowner and can consider it in case of necessity.

View above we would like to propose the cooperation on the subject of supplying of Ukrainian seafarers to your good vessels for deck, engine and other departments and hotel staff under the mutually beneficial terms and conditions. We are ready to provide you with the high level service and are at your disposal all days round.

Please send your requests to our branch office in Odessa :
